Â One Womanâ€™s Journey Back to Loving the Bible

If the Bible isnâ€™t a science book or an instruction manual, then what is it? What do people mean when they say the Bible is inspired? When Rachel Held Evans found herself asking these questions, she began a quest to better understand what the Bible is and how it is meant to be read. What she discovered changed herâ€”and it will change you too.

Drawing on the best in recent scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry, short stories, soliloquies, and even a short screenplay. Undaunted by the Bibleâ€™s most difficult passages, Evans wrestles through the process of doubting, imagining, and debating Scriptureâ€™s mysteries. The Bible, she discovers, is not a static work but is a living, breathing, captivating, and confounding book that is able to equip us to join Godâ€™s loving and redemptive work in the world.Â

Inspired: Slaying Giants, Walking on Water, and Loving the ... This is a book review for the not-yet-released Inspired: Slaying Giants, Walking on Water, and Loving the Bible Again by Rachel Held Evans. This book is available in stores June 12th, but you can pre-order it at rachelheldevans.com. Inspired: Slaying Giants, Walking on Water, and Loving the ... Inspired: Slaying Giants, Walking on Water, and Loving the Bible Again is for Rachelâ€™s followers, and for those others struggling with the clash at times of their view of a loving God and the god sometimes portrayed in the Old Testament, or with the clash of attitudes in the Bible with regard to women, with regard to sexual orientation, with regard to roles in the Church against what they have witnessed in their own life experience.
