A brand new novella in the New York Times bestselling series featuring vampires in the Windy City.

Merit, Sentinel of Chicago's Cadogan House, is pregnant. She's ready to meet her daughter, but also very excited about the possibility of seeing her feet again. But trouble always seems to find her...

Ethan and Merit have been married for eight months, and they're preparing for life-with-baby. Ethan's battling his overprotectiveness, while Merit's hoping she can figure out how to be a loving parent given her family's chilliness.

While out on an evening walk, Merit stops to help a human in need, only to find herself under attack. A sociopath with a debt figures pregnant Merit is an easy target--and Cadogan House would pay handsomely for her return...
