Cassandra Calin's ability to document the hilarity of relatable everyday events has made her a worldwide success and generated a huge following on social media. In this book, new fans and her huge online audience have a unique chance to see comics they know and love, as well as previously unseen comics. Have you ever wondered how a comedy writer comes up with funny ideas and turns them into comics? In this insightful book Cassie will be telling us all about herself and showing where her ideas come from. Cassandra will even go a step further and show how she designs and illustrates her comics and makes the mundane, side-splitting in a way that is sure to put a smile on even the grumpiest of faces.
