A new novel of supernatural horror (and pop culture) from the author of *Horrorstor*, *My Best Friend's Exorcism*, and *Paperbacks from Hell*.

In the 1990s, heavy metal band *D&A* was poised for breakout success -- but then lead singer Terry Hunt embarked on a solo career and rocketed to stardom as *Koffin*, leaving his fellow bandmates to rot in rural Pennsylvania.

Two decades later, former guitarist Kris Pulaski works as the night manager of a Best Western - she's tired, broke, and unhappy. Everything changes when she discovers a shocking secret from her heavy metal past: Turns out that Terry's meteoric rise to success may have come at the price of Kris's very soul.

This revelation prompts Kris to hit the road, reunite with the rest of her bandmates, and confront the man who ruined her life. It's a journey that will take her from the Pennsylvania rust belt to a Satanic rehab center and finally to a Las Vegas music festival that's darker than any Mordor Tolkien could imagine. A furious power ballad about never giving up, even in the face of overwhelming odds, *We Sold Our Souls* is an epic journey into the heart of a conspiracy-crazed, paranoid country that seems to have lost its very soul...where only a girl with a guitar can save us all.
